

Sleepy Hollow Summer Field Trips

Warm-up to Summer!

Sleepy Hollow is the best place to come for summer fun. You can race around the go-kart track, make it up the climbing wall, and play as much mini-golf as you want. Take some swings in the batting cages, jump around in the bounce house, and race your friends in the inflatable obstacle course. Choose either the Grand Prix Pass or the Outdoor Fun Pass for a great summer field trip. Sleepy Hollow also has large open grassy areas available for games.

New this Spring . . . RIDES!

Choose from Tubs of Fun, Wizzer, Spinning Swings, or Dizzy Dragon. One ride per ticket!
